cornice-rail • wall systems

cornice-rail - discreet wall system. heavy duty

The **Cornice-rail System** is **small & strong**, and designed to sit behind Cornice Moulding; to give you the option of a discreet picture hanging system! Pictures are suspended from the rail using **transparent cords or steel cables**. **Profile 19 x 9 mm**
Max load: up to 25kg per meter

-	Cornice-rail 2m (6ft 7")	£19.99
---	--------------------------	--------

cornice - basic

The **Cornice 'Basic' Moulding** is the most common and straight forward profile of all the cornice mouldings available. (A "Cornice Moulding" is a horizontal moulding projection that is a perfect 'finishing touch' to any wall!)

-	Cornice-rail 'Basic' 2m (6ft 7")	£11.99
---	----------------------------------	--------

cornice - modern

The **Cornice 'Modern' Moulding** is a more up to date approach to what is a very old fashioned style of interior design finishing. (A "Cornice Moulding" is a horizontal moulding projection that is a perfect 'finishing touch' to any wall!)

-	Cornice-rail 'Modern' 2m (6ft 7")	£19.99
---	-----------------------------------	--------

cornice - classic

The **Cornice 'Classic' Moulding** is a tradition yet very grande style of moulding. (A "Cornice Moulding" is a horizontal moulding projection that is a perfect 'finishing touch' to any wall!)

-	Cornice-rail 'Classic' 2m (6ft 7")	£29.99
---	------------------------------------	--------

clip-rail - wall system. conceals fittings & anchors

The **Clip-rail wall system** can also be used with a Cornice moulding, and installed in much the same way; and also uses the same transparent **perlon cords or steel cables** to suspend pictures.
