exhibition screens / panels

Wooden style structured panel, makes the screens **totally ridget**, yet overall **extremely light in weight!** Steel tubular feet ensure stability but still maintain that low weight, making it **easier to position/re-position** panels once they are assembled. A lighting system is also available for your panels too!

Profile: Height: 210 cm / Width: 120 cm / Thickness: 2.6 cm

AVAILABLE FOR HIRE!! Call for a quote.

QK-Q2-28M	Wooden Panel, White	£249
HIRE	Please call us for a quote on 020 8320 8800	£call

exhibition screen / panel lighting

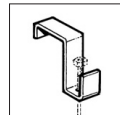

Exhibition panel lighting has never been so stylish, with our Expo-lighting system. And unlike other lighting systems on the market, this one does **NOT** require a transformer either!!! The light source itself consists of a special **75W halogen bulb**. This is attached to an armature with a **metallic matt finish**. And then the armature is connected to our custom bracket, **specially designed for our exhibition panels**.

AVAILABLE FOR HIRE!! Call for a quote.

EXPO-LIGHT-U	Expo picture lighting unit	£49.99

BASSC-200	Barrel Anchor + Steel 2mm Cable 2m (6ft 7")	£4.74

flexi screen hook

The **Flexi Screen Anchor** works in such a simple way. Simply bend the 2 "legs" together and hook them over your panel. The fact that they will try to spring back into their original position means they grip themselves to the panel!! Uses **looped cords and cables**. Weight capacity; 15 to 20 lbs.

AHSF-W-30	Flexi Screen Hook 11 to 30mm Anchor, White	£2.49
AHSF-W-55	Flexi Screen Hook 31 to 55mm Anchor, White	£2.99
